

How Do I Access Tool Operator's Manuals Remotely?

Step 1: Access the E Light Information homepage from your mobile browser:

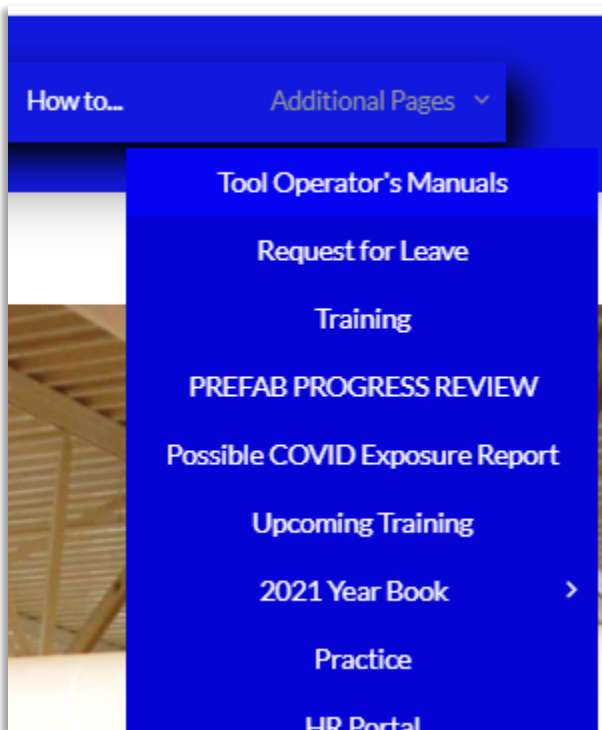

<https://elightinformation.com/>

Step 2: When you've reached the home page you will see the following menu bar on the top of the screen:

Step 3: Using your mouse, hover over the "Additional Pages" button.

Step 4: Doing so will list the "Additional Pages" immediately below. You'll want to select the "Tools Operator's Manuals" option (see image below).

Step 5: Once you've selected the "Tool Operator's Manuals" button you'll be navigated to the Tool Operator's Manuals page (see image below):

TOOL OPERATOR'S MANUALS

The list below contains the operator's manuals for each tool. To access the desired manual simply click on the link, and you'll be redirected to a page containing the manual for that specific tool.

- [Burndy - Battery Actuated Crimper 18 V - Model # PAT750LI](#)
- [Dewalt - Oscillating Multi-Tool 20V - Model # DCS355](#)
- [Dewalt - Reciprocating Saw 20V - Model # DCS-380](#)
- [Dewalt - Rotary Hammer 20V - Model # DCH133](#)
- [Fluke - Clamp Meter Detachable Jaw - Model # 365](#)
- [Fluke - Clamp Meter - Model # 375](#)
- [Honda - Generator - Model # EB5000X](#)
- [Klein - 600A Auto-Ranging Digital Clamp Meter - Model # CL600](#)
- [Klein - Manual Ranging Digital Multimeter - Model # MM300](#)
- [Klein - Voltage Meter ACDC - Model # ET60](#)

Step 6: You can access the power tool manual of your choice by left-clicking on the underlined text containing the power tool name and model number.

Step 7: For example, left-clicking on “Burndy – Battery Actuated Crimper 18 V – Model # PAT750LI” would redirect me to the page below. Which contains the manual associated with that specific tool.
